We have a group of bulls that are for sale by private treaty. The bulls range from average quality to some of the top bulls that we have offered this year. Due to our bull sale being held early in the year and our customer's needs for bulls at spring time, We have kept back an excellent cross section of the 2007 born bull calves. As you can see from the pictures, these are NOT left over bulls. Thanks for your interest in our cattle--Darby Line
